

Murder vs. homicide: difference

April 19, 2024

Is there a legal difference between murder and homicide?

ChatGPT

Yes, there is a legal difference between murder and homicide. Murder is usually defined as a premeditated killing with some intent or planning, while homicide is generally a broader category that includes any act of killing a human being, whether intentionally, negligently or in self-defence. However, the exact definitions may vary depending on the legal system.
